

## HEARING PROCEDURES

### Purpose of Hearing

*The Housing Authority must provide the opportunity for a review for applicants and a hearing for participants for any decision to deny or terminate Section 8 assistance. A copy of the hearing procedures is made available to all participants at the enrollment interview, and to existing participants who have not previously received a copy, if so requested, at the annual recertification. Participants have the right to pre-hearing discovery (records and regulations), which may be copied at the participant's expense. The Housing Authority has a parallel right to pre-hearing discovery of relevant family documents.*

The hearing process is designed to assure that the decisions made by the Housing Authority comply with local, state and federal laws, HUD regulations and Housing Authority approved rules and policies. Complainant may request a hearing only when claiming the law or rule has been incorrectly applied by the Housing Authority. **A request for a review or hearing must be in written form and contain a description of why the complainant feels a review or hearing should be held.** Other arrangements for submission of a request such as personal interview or tape recording will be made available for the visually impaired or those with motor impairments.

**An informal review will be held prior to an informal hearing in order to try to resolve issues informally.**

**A Hearing may be held in these circumstances:**

1. Determination of the amount of the Total Tenant Payment (or choice of Utility Allowance Schedule).
2. Determination of the number of bedrooms for which a participant Family may receive subsidy.
3. A HA determination to exercise or not exercise any right or remedy against the owner under a HAP contract.
4. Allegations of discrimination on the basis of handicap, if received within thirty (30) days of the alleged violation.
5. A decision to terminate assistance.
6. A denial of Reasonable Accommodation.

### Reasons Not to Hold Hearing

The Housing Authority of Washington County is not required to hold a hearing for:

1. Discretionary administrative determinations by the Housing Authority or to consider general policy issues or class grievances.
2. The Housing Authority's determination that a unit does not comply with Housing Quality Standards.
3. Contract units no longer safe and sanitary because of an increase in Family size or change in Family composition.
4. Decisions by the Housing Authority to exercise any remedy against the Owner under an outstanding Contract, including the termination of housing assistance payments to the owner.
5. A Housing Authority's decision not to approve a Family's request for an extension of the term of the Certificate/Voucher issued to an assisted Family which wants to move to another dwelling unit with continued participation in the program.

If the Authority determines that it is not bound by a hearing decision, the Authority shall notify the participant within five (5) working days of the determination and reasons therefore.

### Notification of Hearing

It is the HA's objective to resolve disputes at the lowest level possible, and to make every effort to avoid the most severe remedies. However, if this is not possible, the HA will ensure that applicants and participants will receive all of the protections and rights afforded by the law and the regulations.
